PROFILE

Analytical and detail-oriented urban planner skilled in field surveys, data visualization, and creating actionable solutions. Proficient in GIS tools, Adobe Creative Suite, and CAD applications.

EXPERIENCE

4TH YEAR ACADEMIC PROJECT • OCTOBER 2024-JUNE 2024

Integrated Corridor Spatial Plan for Kenol-Marua Road (Kenol-Kabati Town) (2024–2034).

University of Nairobi, Nairobi, Kenya

- Developed a comprehensive spatial plan for a 10-year period focusing on sustainable urban development and improved land use along the Kenol-Marua corridor.
- Conducted in-depth field surveys and stakeholder consultations to identify challenges and opportunities in the corridor.
- Utilized GIS tools, AutoCAD, and Adobe Suite to create detailed maps, 3D visualizations, and graphical illustrations supporting the project recommendations.
- Proposed actionable strategies for transportation, housing, and economic development to enhance connectivity and community well-being.

SHAMIRI FELLOW • MAY 2024-JUNE 2024

Shamiri Insitute, Nairobi Kenya

- Collaborated with a team to optimize workflow and achieve objectives.
- Built strong professional relationships with peers.
- Facilitated group discussions and practiced active listening to understand participant needs.
